BULLETIN

NUMBER 3 : JANUARY 1983

LEAGUE NEWS - Amendment to list of venues

With effect from January 6th, 1983, WOODBOROUGH Chess Club will be in new premises at;

The Village Hall, Lingwood Lane, Woodborough

Access is not possible until 7:30 p.m., which means that League matches will start a few minutes late. Des Boyle, Woodborough's secretary, hopes that this will not cause too much inconvenience to visiting teams. He also points out that if visitors wish to play with clocks they will have to bring their own, as Woodborough are not yet in a position to supply them.

NOTTS. I 9-11 LEICS. I

A very tense and hard-fought match which see-sawed back and forth finally ended in Leicestershire's favour. By far the strongest Notts. side of the season came up against opponents who gave nothing away, in fact four games were lost on time (unfortunately three of them by Notts. players!). A special thanks must be made to villain-turned-hero Chris Dunworth who turned out at three hours' notice when John Cooper couldn't play because of illness.

I had hoped to be able to include an interesting game from the match in the bulletin. However the only publishable game was played by Allan Richmond's opponent and, to ensure Allan's further participation in county matches, I decided against printing it.

The next match, against Derbyshire at Radcliffe on January 22, now takes on crucial significance since Notts. must win and in recent seasons Derbyshire have been much improved. It is hoped to have an equally strong, if not stronger, team out.

SPECIAL EVENTS David Holmes continues:

County Lightning Championships, Sherwood Colliery, 5-12-1982.

This year's lightning championships were held (!) on Sunday 5th December at Sherwood Colliery Miners' Welfare, Mansfield.

The team event, held in the morning, gained an extremely poor entry of only six teams and was easily won by West Bridgford I (Rolfe, Hare, Clunie, Spickermann) with the impressive score of 17½/20 (Paul Hare winning all of his games), West Bridgford II were a distant second with 11/20.

In the afternoon the individual championships proved a triumph for Ken Morrison of Sutton who scored a maximum of 7/7 and played very impressively, Ron Clunie of West Bridgford was second with 6/7 (losing to Ken). The under-160 grading prize was shared between Kevin Simpson, Brian Oldham, Chris Dunworth and Brian Hayward with 4/7.

A feature of this event was the computerised Swiss draw devised by Alan Dean of Sherwood Colliery which worked very well until a minor programming error followed by a massive operator error resulted in the last round draw having to be made by hand. However any teething troubles should be overcome and it is hoped to see the system in operation in future events.

- If of course there are any future events - an entry of only six teams for a county event is pathetic and the individual entries were not much better. In previous years complaints have been about these events not being organised

or insufficient notice being given. This time there were no excuses and, unfortunately for the players who do support them, it is likely that some of the Association's special events will not be run in future.

This bulletin is edited by Tim Lane on behalf of the Nottinghamshire Chess Association. Any contributions that are likely to be of interest to Notts. chess players are welcome; the next edition is intended to go out in the week commencing on February 14th, so could material for inclusion reach me not later than Tuesday, February 8th.

Tim Lane,

- 1). Five Ways Chess Club have recently entered a team in the 5th Division.
