Some local sides have been doing some globetrotting lately. Bruce Woodhouse writes;

NATIONAL MINOR CLUB CHAMPIONSHIP

Last September I was nattered at, bullied, pushed and persuaded much against my better judgment to enter a team from West Bridgford in the above. I was assured that we would be knocked out quickly and in any case the first rounds were zoned so we would not have to travel far! Barly in November the bomb arrived - we had been drawn against Cambridge City AT CAMBRIDGE !! Accordingly on the appointed day we set out for Cambridge and driving through pouring rain and howling gales eventually found the venue, just in time!

Steve Woodhouse drew first blood on board 4 with a win. Glory be! John Makutis followed with another win on board 3 but Marcel Taylor lost on board 5. Glen Macauley managed a draw on board 1 and Chris Dunworth battled on to a very good win on board 2. A great win 3½-1½ and the wind and rain mattered not as we sped back to West Bridgford.

I hoped for a home draw in the 2nd round and we got one. Wait for it - Sutton-in-Ashfield! Steve Woodhouse and John Nakutis lost on boards 3 and 4 and our old foes were coasting into the third round. However Marcel Taylor came up with a win on board 5 and Chris Dunworth again won on board 2. All now depended on board 1 where Glen Macauley was playing black against Steve Burke. At adjudication time Glen had two rooks and 5 pawns with his king nicely placed and Steve had 2 rooks and 4 pawns. We had to claim a win and after B.C.F. adjudication we got it! So we won 3-2.

We drew Grimsby at Grimsby in round 3 and had to cancel the first match because of SNOW. After a fish and chip Sunday lunch on Cleethorpes front we eventually found the Church Hall in that barren land. I won the toss and elected to play BLACK on odd boards. Steve Woodhouse again drew first blood on board 4 with a win over G. Renison. Was this an omen? John lost on board 3 and Glen drew on board 1! Chris Dunworth again came up with a great win on board 2 and we were home and dry on board count alone but Marcel Taylor drew on board 5 to make it 3-2!!!

Next came Kidderminster at HOKE. I lost the toss but got what I wanted; BLACK on odd boards! John Nakutis, unfortunately, could not play so C. Spickermann took his place. Once again Steve came out first with a win and then Glen drew. A battle royal developed on the other three boards but Christoph Spickermann brought one out the bag to win on board 3, Chris Dunworth kept his 100% record with a win on board 2 and Marcel won on board 5. We had won $4\frac{1}{2}-\frac{1}{2}$ but it was much closer than the score suggested!!!

We are in the quarter-finals and I await with fear in my heart for the next round draw. Will anyone sponsor us in a five star Hotel should we draw Margate or Flymouth away? Fleane?

2) The Notts. Under-12 and Under-14 Championships were organised this year by Nomads Chess Club. Doug Sandford reports;

The Notts. Under-12 championships were held at Kingswell Junior School, Gedling Road, Arnold, on the 13th November 1982, and from an entry of some 50 competitors, the winner was Raymond Tarling (Nottingham High School).

The Notts. Under-14 championships were held at Nottingham High School on the 26/27th November 1982. There were 26 entrants and after a five round Swiss tournament, the winner (for the second year in succession) was Owen Davies (Nomads) with a score of 5/5. Second was Graham Holley (West Bridgford Comprehensive) with 4/5.

3) Grantham Chess Congress

The Grantham Chess Congress will be held at the Shirleycroft Hotel, Grantham, from Friday, June 10th to Sunday, June 12th. Information about the event is available from Mr. F. Jones on , and entry forms from Mr. M. Smith of

LEAGUE NEWS Doug Sandford writes from Nomads...

Nomads wish to apologise to all their League opponents for the noisy and cramped conditions that they have endured at the Porchester Hotel during the past two seasons. They are glad to announce that they have secured a new venue at the "Maid Marion", Coppice Road, Arnold, which is both commodious and quiet, and to which they will be moving on the 14th April, 1983. Consequently their remaining fixtures (as under) will be played at this new venue:-

April 21; NOMADS 1 v. ELECTRICITY 1 NOMADS 4 v. KEYWORTH 1

April 28; NOMADS 2 v. NEWARK 1 NOMADS 5 v. UNIV. STAFF 2

Opposing team secretaries should have already received notification of this change but this reminder is given so that all their team members may be advised.

GRAHAM WADDINGHAM will attempt to set a new world record for simultaneous play on Saturday May 7th by taking on 300 opponents in the East Block Dining Room of the Queen's Medical Centre. Play starts at 9:00 in the morning. The current record, as far as I am aware, is 230 opponents, held by Andrew Erridge of Market Deeping. Mr. Erridge scored 93.04% in an effort that lasted sixteen-and-a-half hours, so Graham may well have over 20 hours of play to look forward to...

Further details about the record attempt will be appearing shortly in the local press.

I am intending to produce one more edition of this bulletin this season. It will appear around the middle of May and ought to include, among other delights, news of the county first team's fortunes in the quarter-finals of the County Championship, results, etc., from the Nottingham Congress, and the final League tables. The exact publication date depends on various unknowns, such as the results of adjudications and appeals to the L.M.C., but it would ease my task if any other material could reach me by Tuesday, May 10th. Publication of anything arriving after this date cannot be guaranteed before next October. My address, as usual, is;

Tim Lane.

NOTTS. I. 10-10 STAFFS. I.

Notts. I. progressed through the MCCU semi-final by this year's usual margin of the skin of their teeth. On paper a slightly weakened Notts. team (Paul Kemp and Derek Blecher had other chess commitments whilst Norman Lazonby had to go to a wedding) and Staffordshire, surprise winners of the West Midlands zone, were evenly matched. In the event Notts. raced to a 7-3 lead due mainly to fine play by the upper boards. Alan Pleasants won convincingly when his opponent, playing the French, neglected to castle and had his king caught in the centre, while Graham Waddingham's game was notable in that at one time seven pieces were placed on the h-file, Graham's opponent being completely tied down and resigning in a position of material equality.

However the good start was not to last and was followed by a succession of Notts. players turning wins into draws and draws into losses until at the end of play the score stood at $9\frac{1}{2}-9\frac{1}{2}$ with Andrew Walker's game unfinished. Andrew had rook and five pawns against rook, bishop and three pawns. The usual after-match analysis showed drawing chances by exchanging rooks and trying to eliminate pawns, so the game was sent off for adjudication. After a fortnight's nail-biting anticipation (for the captain anyway) the result was returned as a draw. Barring a successful appeal this means the match was drawn with Notts. winning on board count and so progressing to the National quarter-final stages. The date for this match is fixed as 23rd April. To date the identity of the opposition is unknown but a long trip is virtually guaranteed. No game from the match this time but if Alan Pleasants still has his score I will try to publish his game in the next bulletin.

SPECIAL EVENTS, etc.

1) 10-Minute Tournament David Holmes again (!)...

An end-of-season 10-minute tournament will be held at Gambit Chess Club on Tuesday 10th May commencing at 7.30 p.m. Assuming sufficient entries there will be Open and under-145 grading sections, both of six rounds. A similar event was held last year and proved popular with the stronger players. The introduction of a minor tournament will, we hope, encourage more of the lower-graded players to enter. Entry fees and prizes will depend on the number of entries, but obviously the more entries the larger the prizes! The Swiss draw will be made by Alan Dean's computer program which has had its teething troubles sorted out since appearing in the County Lightning Championships. Everyone who would like to enjoy a fairly light-hearted evening of chess and to see modern technology in action is urged to turn up and make the event a success.

On the following page NEIL GRAHAM reports on the Midland Individual Championships. Here are a few games from the event...

MIDLAND INDIVIDUAL CHAMPIONSHIPS - DERBY March 25th - 27th

For the first time, weekend congress chess arrived in Derby when the Midland Counties Chess Union held its annual Championships at the Assembly Rooms. The Union, in booking this excellent venue had taken a risk, but were well rewarded with an entry of over 150 players. In previous years the event has been a parochial affair held in the equivalent of the church hall but at last the Midlands has had a Championship to be proud of. The trouble free events and the comments of the competitors leaves the organisers with the task of arranging just as good a competition next year. The proximity to both Birmingham & Nottingham was regretted but we feel the effect on both congresses to be minimal and possibly the Derby event has encouraged some extra entries to our own event.

There was excellent support from Nottinghamshire players and fittingly plenty of local prizewinners. Of course the best news comes from the Midland Individual where Graham Waddingham of Bulwell C.C., the current British Under 18 champion, showed why he is the best in the country. With five consecutive wins over Sean Upjohn (Electricity), G.M.Paley (Rolls Royce), international chessmaster Mark Hebden (Leicester), Chris Baker (Coventry) and Charles Pickard (Warboys) he took the overall lead. However in the final round he faced Geoff Lawton of Leicester. Lawton, current holder of the title and winner at Nottingham last year, was in no mood to surrender his title and eventually won to take the £200 first prize. For Graham there was the consolation of a share of 2nd prize and the title of Midland Under 21 champion. The B.C.F. have to confirm that Lawton is already qualified for the British and if so Graham will take a place in the Championship as Midland nominee.

Result: 1st Geoff Lawton (Leicester) 5½%; 2nd = Graham Waddingham (Bulwell), Mark Hebden (Leicester), Joe Naujokas (Sth Manchester), Chris Baker (Coventry) and Steve Fishburne (Kynoch) 5%.

The remaining prize winners read like a Notts Who's Who. P.N.Wallis Rosebowl (Under 185 grading prize) shared Norman Lazonby (Gambit), Mark Cooke (Sutton) & Andy Bowler (Sutton) & not forgetting John Shannon (Derby). Under 165 prize Geoff Gibson (Chessnuts); Under 145 Chris Dunworth (West Bridgford); Junior prizes Sean Upjohn (Elec) & Bob Eames (Stapleford).

The Midland Minor also proved a happy hunting ground for Notts especially the Radcliffe & Bingham club. Mike Nailard won the first prize of £100 outright with his unbeaten score of 5½%. Ian Smith was unbeaten on 5% and figured in a quadruple tie for second place with club mate Marcel Taylor. Phil Morgan of Sutton also figured in this tie and Radcliffe also claimed the Under 14 prize with Mark Lowe winning the £25 sponsored by Synseal for his score of 4%. David Butler of Chessnuts completed the Notts list of winners sharing the grading priz Inspection of the scoresheets appeared to show that Tal was competing in the Open - however closer scrutiny revealed the granmaster to be T.A.Lane

Other Notts scores: - Open C.N.Dunworth, N.Cunningham 3½; S.J.Burke, R.Forey, D.Auty, M.Lambert, D.Dicks, R.Eames, S.Upjohn 3; J.Gibson, T.A. Lane, D.Oldfield 2½; R.Dicks, A.Wright, J.Wagenbach, D.W.Heelan 2; S.V.Woodhouse, D.R.Gwynne 1½.

Minor J.Hensman 4½; S.C.Eastwood, G.E.Cammack, M.Jackson, P.Alexander 4, P.B.Gascoigne, P.Bartlett, C.W.Shelton, A.Flint, D.L.Butler 3, A.E.Hall 2½; A.Brown 1½, M.A.Cutts 1.

Finally can I proffer my thanks to the players who made up the control team in the Minor; David Meadows, Alan Morrey, Paul Gambles and also Julie Lazonby and June Clunie who shouldered much of the paper work.
