Notts. I. 12 $\frac{1}{2}$ -7 $\frac{1}{2}$ Derbys. I.

A vital result! We needed to win this match by at least 12-8 to become champions of the East Midlands zone and thus play the runners-up from the West, avoiding our bogey opponents Greater Manchester. The overall performance was quite a good one with, for a change, some good performances from the lower boards. Although at tea the situation looked dubious the usual Notts. fight-back in the second half (our army obviously marches on its stomach!) ensured the desired result. The next match will be on Saturday 24th March when we shall be at home to Staffs. - a very favourable draw and a repeat of last year's win over Staffs. (albeit on board count) is hoped for. No game from the match this time - this is merely due to my inefficiency and not to lack of suitable games. I hope to remedy this next time.

SECOND TEAM Alan Morrey reports:

On 10th March the second team visited Leek to meet the winners of the M.C.C.U. Western section, Staffordshire, over 20 boards. Consistently lower on gradings, the team gave a fine performance and at the time of writing have won the match 11-8, with one board to be decided. This puts us through to the M.C.C.U. final, where our likely opponents will be Warwickshire, and also into the national competition. In the latter we should meet opponents from either the North West or South West C.U.s on Saturday 28th April.

SPECIAL EVENTS

NOTTINGHAMSHIRE U-16 and U-18 CHAMPIONSHIP Jenny Waddingham reports:

Once again there was a low turnout for these championships, with neither champion defending his title, as the event clashed with the mock exams at the Nottingham High School which had been postponed at short notice due to the Duke of Edinburgh's visit.

However, allowing say six extra from the High School, and with the seven who turned up - are there really no more than thirteen prepared to enter? Have we no juniors who want the experience at a higher level without the pressure of being expected to win? I am quite happy to run the championship whether seven or seventy-seven turn up but I do feel the juniors themselves are missing out on a pleasant day's chess playing.

The result was: D. Blecher the under-18 winner and L. Sewell the under-16 winner. As Liam is just 12 he is a very surprised winner but he played well and deserved it. Full result table as overleaf.

(Continued...)

NAME	1	2	3	4	5	6	7	TOTAL
1. D. Blecher	x	1	1	1	1	1	1	6
2. R. Eames	0	x	1	1	1	1	1	5
3. L. Sewell	0	0	x	1	1	1	1	4
4. Lisa Bramley	0	0	0	x	1	1	0	2
5. J. Traynor	0	0	0	0	x	1	1	2
6. G. Booth	0	0	0	0	0	x	1	1
7. S. Oliver	0	0	0	1	0	0	x	1

(Statistically a very interesting table which is unlikely to be bettered!)

COUNTY CHAMPIONSHIP

After four rounds of this event the joint leaders are Mike Alcock from Sutton and West Bridgford's Tony Dempsey, both of whom have scored 100%. These two players are due to meet in round five, and no doubt the result of this game will be keenly awaited by Messrs. Burke, Eames, Lewis, and Wagenbach, all of whom are poised just behind the leaders with 3/4. Since your Editor is among the also-rans, he's not going to report the scores in the lower half of the table!

LEAGUE NEWS from Ron Stevenson:

1. Change of fixtures;

25/1; Long Eaton 2 vs. Sleaford Now 28/3

26/1; Stapleford 3 vs. Students 5 Now 8/3

14/2; Sutton 3 vs. Long Eaton 1 (to be arranged: postponed due to weather)

Keyworth 1 vs. Sutton 4 (weather) Now 17/4

15/2; Grantham A vs. Chessnuts 1 (to be arranged; weather)

2. Player Eligibility;

I have received enquiries concerning the eligibility of Mr. R. Gottenberger to play in the Notts. Chess League. After the due investigation I am satisfied that the player was eligible to play for a club because he both resided and worked within the county.

RECORD SECRETARY'S COLUMN Ann Graham writes:

I would like to announce that I shall be tendering my resignation at the forthcoming A.G.M. I have thoroughly enjoyed my two years in office and I have certainly learnt something about chess and chess players! Volunteers are urgently needed to take Association posts; remember that if you have no officers then there is no Nottinghamshire Chess Association, and consequently no organised league chess. Everyone's support and help is needed, however humble you may feel your contribution may be. The message is straightforward: "Support it, or lose it!"

The Records Secretary's duties are outlined in the League rules and the job is quite straightforward. It is mainly clerical work but it is vital to the smooth running of the League as the rules on adjudication and eligibility stand at the moment. You liaise closely with the League Secretary, and the posts are complementary. The job affects every player in the League, and that is over 500! So surely someone out there can help! If anyone wishes to know more please contact me and I will be delighted to advise.

This bulletin is edited by Tim Lane on behalf of the Nottinghamshire Chess Association. I am currently uncertain whether it will appear once more or twice more before the end of the season; this will depend on how close to being resolved the League is in a month's time. But to ensure your appearance in print before next Autumn, you would be wise to get articles to me by Tuesday, April 17th, 1984.

Tim Lane,
