COUNTY RESULTS

Following wins against Lincolnshire and Leicestershire, we were seeking a good result against Derbyshire to advance us towards the MCCU semi-finals. The match took place at the Rushcliffe Leisure Centre on 6th December and, thanks to a fine performance by the top 10 boards, ended in a 12-8 victory. Derbyshire provided early shocks and had a 3-0 lead before we obtained our first $\frac{1}{2}$ point. The position remained finely balanced until the 14th result came in after which we pulled away from Derbys reach. Our thanks to Derbyshire for a good match and we look forward to meeting Northamptonshire away on February 7th, 1987.

TEAM LIGHTNING OCTOBER 86

Sixteen teams were a welcome improvement on last year and much appreciated. The big three were there again - West Bridgford I winning with 19½ points from Sherwood/Fiveways (third last year) with 16 and Gambit I (second last year) with 15.

A much closer competition this year with West Bridgford slipping from their 23 out of 24 of last time and other teams running the leaders close - Derby with 14½, Mansfield and Gambit III with 14 and Sutton I with 13½.

Board prizes were as follows:-

- Board 1 - Chris Dunworth (Sherwood/Fiveways) 5 out of 6 (was there some needle in the one he lost!?)
- Board 2 - Paul Hare (W. Bridgford) 6 out of 6! (making up for the embarrassment of last year when he dropped a whole point.)
- Board 3 - Ron Clunie (W. Bridgford) 6 out of 6! (He never changes.)
- Board 4 - Keith Roper (Gambit) 5½ out of 6 (Nice one Keith!)

Many thanks to all the other teams who turned up - Castle, Gambit II, Sutton II, Stapleford, Nomads, Grantham, Jessops, ~~Nomads Juniors~~ and Sutton III.

As usual there were the indefatigable volunteers to help me do the pairings who shall receive their reward in heaven but I was also lucky and grateful to find a non-chess playing assistant called Tina who enjoyed helping out. (So much so she has agreed to help with the Notts. Congress in April - but is taking her knitting just in case.)
