

NOTTINGHAMSHIRE CHESS ASSOCIATION

BULLETIN

JANUARY 1985

League Controller's Report

(a) Change of venue - Phoenix Chess Club have now moved to the "Man in Space", Nottingham Road, HILLTOP, Eastwood. Meeting night remains as Wednesdays

(b) Change in Team Secretary:-

(i) Jessops Team Secretary is now P.Galloway,

(ii) Students II - captain is M.Jones, Cripps Hall, University Park, Nottingham. The Club Secretary is Mark Durkin, Derby Hall, University Park to whom all correspondence should be addressed.

(c) Change of matches

The following matches have been changed :-

Div One :- 31st January Sutton I v Univ Staff

now 30th January Univ Staff v Sutton I

Div Two :- 25th March Nomads II v Rainworth

now 22th March Rainworth v Nomads II.

(d) All captains/team secretaries are reminded

1) All result cards should be sent to Mr.Gibson, the Records Secretary and not to me

2) May I once again remind you of Rule 12(a) - fixtures cannot be rearranged mutually between captains. Any requests for a rearrangement must be between the team captain & myself and be in writing. Now that winter is approaching may I remind you of Rule 12(b) concerning re-arrangements because of bad weather.

(e) I have heard from the Rainworth Club of the sudden death of Geoff Nathan, their regular Board Two player. Geoff has played with the club since it was founded and was one of their most reliable members, I am sure that members of the Association would wish to join me in passing on condolences to his family at this time.

(f) Laws of Chess - I have had several queries already this season concerning disputes that have arisen concerning the Laws of Chess and their Interpretation.

(A) In a timescramble Player 'A' checkmates Player 'B'. Player 'B' then notices Player 'A's' flag has fallen.

The result is a win for Player 'A' Article 11 states that the game is won by the player who has mated his opponents king. Article 17 states that the game is lost by the player who has not played the prescribed number of moves in the given time. However when no arbiter is present (as at all league matches) a win by overstepping the time limit must be claimed by the player concerned. The mate ended the game; Player 'B' could not claim retrospectively under Article 17.

(B) Castling - Article 6(1) gives detail of the correct method "the king is transferred.....then the rook...". (The full text is given in the Article. However note Interpretation by FIDE 1971 "If a player in castling starts by touching the rook, he should receive a warning from the arbiter, but the castling should be considered valid." Please note touching the rook does not call for a mandatory rook move.

Batsford have a book "The Chess Competitors Handbook" by Kazic which gives all the laws & their interpretations, all-play-all cross tables; Swiss pairing systems, how to organise a club, a congress etc. I find this book invaluable. This volume normally retails at £7.95 but I have been fortunate to pick up a number of copies at discount. I only have a limited number at £2.50 each including postage - let me know if your club wants one.

Neil Graham.

The loss of Graham Waddingham and Andrew Rolfe this year has resulted in the first becoming a little thin on top. This was shown by the team losing over the top ten boards, a feat which it had not performed for some time; however a steady performance by the lower half gave a narrow win. In spite of acquiring two near 170ish players from Students it is quite likely we will struggle to pass the M.C.C.U. semi-final stages this year. One point of note was that this was the sixth consecutive match in which I lost the toss. Paul Hare playing his first match on board 1 for some time begrudgingly took black and duly lost (bring back Graham Waddingham - he never used to have any trouble!)

Played at Wellingborough - 8/12/84

NOTTS I

Finally a win of the toss and Paul Hare nearly wasted his white! On the whole the match was a fairly uneventful affair (as shown by the high number of draws) with the luck fairly evenly shared out (Norman Lazenby's opponent losing his queen in a probably slightly superior position, Andrew Walker falling into a stalemate in a winning ending) and the final score of 13 - 7 about fairly reflecting the difference in strength of the two sides. A special thanks must be given to Brian Hayward for turning out at one day's notice after a late withdrawal. One curious game was that of Russell Dicks whose opponent wasted two tempi in a sharp opening then sacrificed a piece for two pawns, apparently to expose his own king and duly paid the penalty a few moves later. Finally a game from the match. In a near-symmetrical position Mark Cooke's opponent does little apart from weaken his own king position while Mark concentrates on the attack and forces a neat finish.

TEAM LIGHTNING

The team lightning tournament was held at Gambit Chess Club on Tuesday, 4 December. As last year, only eight teams entered (from Gambit, Sutton, Mansfield, West Bridgford and Phoenix) and the competition was held as a seven round all-play-all. The winners were (surprisingly!) West Bridgford with 24½/28 followed by Gambit I with 20½/28 and Sutton I with 19/28. Top scorers on board 1 were Norman Lazenby (Gambit) and Paul Hare (West Bridgford) with 6½/7; on board 2 top was Chris Dunworth also with 6½/7. On board 3 George Wagenbach (Sutton) scored 7/7 and on board 4 Ben Hobson (Gambit) and Richard Burgess (West Bridgford) both scored 6/7.

INDIVIDUAL LIGHTNING

This will be held on Tuesday 12 February at Gambit Chess Club, starting at 7.30 p.m. and will be a six round Swiss system event. Unfortunately, the computerised Swiss pairings program is still in hibernation and so the draw will have to be done in the old-fashioned way (slowly!)

COUNTY CHAMPIONSHIP 1984/85

from Julie and Norman Lazenby

This year's championship was held over five rounds at the Victoria Hotel, Nottingham on the weekend of 23/25 November 1984. Previously the competition had been played throughout the season at the players' homes in the evenings and it was generally felt that a weekend competition was an improvement.

The standard of entries was much improved with about 12 regular County first team members competing compared with about 5 or 6 in previous years. The biggest upset of the competition came in round one when Graham Waddingham (graded 209), the pre-tournament favourite, was beaten by Derek Padviz (graded 122). With Paul Hare, Ron Clunie and Chris Dunworth each dropping a full point by the end of round two, the struggle for first place was expected to be between Tony Dempsey and Mike Alcock. Their individual encounter came in round four and was drawn allowing Steve Burke to join them in the lead with 3½/4. In the final round Steve Burke beat Tony Dempsey and Mike Alcock easily disposed of Graham Waddingham for the two Sutton players to come first equal. Mike Alcock received the Trophy by virtue of a higher sum of opponents scores.

The full list of prizewinners was as follows :-

1st equal	M.Alcock (Sutton)	4½/5
	S.Burke (Sutton)	4½
3rd equal	R.J.Clunie (W.Bridgford)	4
	S.Gilmore (Derby)	4 - also share in UL65 prize
UL65 grading prize	D.R.Gwynne (Gambit)	2½
	D.Padviz (Gambit)	2½
shared also by	B.Hayward (Gambit)	2½
	A.J.Wright (Plessey)	2½

More than 50% of the entrants came from three clubs, namely West Bridgford, Gambit and Sutton, so it would be nice to see more clubs providing entrants in future years. Nextseason's competition will be a six round Swiss tournament held over a weekend hopefully at Rushcliffe Leisure Centre and we would like to see as many of you there as possible.

LOCAL TEAMS IN AREA COMPETITIONS

As we go to press (!) only sketchy details are available but it is rumoured that West Bridgford have beaten Oxford University 'B' in the first round of the National Club Competition whilst Sutton came out winners against the same club in the National Major Club Competition on board count. Both of these events are sponsored by Legal & General Insurance. (N.B. 'same club')
=W.Bridgford.

In the first round of the Midland Club competition West Bridgford (the holders) had a bye whilst it looks as though Sutton might go out to Leicester University. No doubt the relevant captains will provide fuller reports in the future.

THE BULLETIN

Many of you will know that Tim Lane, the former editor of this literary journal departed for greener pastures in Birmingham in November last. His work is greatly missed, especially his typing ability!!

After some delay the combined effort of a few of the Associations officers has managed to produce this issue but it need hardly be said that a willing volunteer to take charge as editor would be welcomed with open arms.

Would all officers please note that it would be useful to have up to date information from them on the activities within their area of responsibility. For the time being could all articles/snippets of information etc. be sent to the President, Ron Clunie,

Anything directly relating to the league should be sent either to Neil Graham or Geoff Gibson.

DON'T FORGET

The NOTTS CHESS CONGRESS 19/21 APRIL 1985...It's your own event - support it.

The M.C.C.U. Individual Congress at Derby - entry forms circulated with this Bulletin.

GRADING LISTS now out. Your club will receive a copy with this. Additional copies available for purchase.
