CHESS ASSOCIATION

BULLETIN JUNE 87

JAMBOREE 87

Seventy-five players turned up for this end of season spectacular! Not bad considering the season some of us had!

As usual the Minor competition was the best contested, this time with nine teams, and the Major competition less well, but respectably contested with five teams.

In alphabetical order the teams were as follows:

Major - Gambit I, Mansfield I, Sherwood, Sutton I, West Bridgford.

Minor - Bulwell Boozers, Castle, Gambit 2, Gambit 3, Mansfield II, Odds and Sods, Plessey, Sherwood III, Sutton II.

The competition nearly got off to a calamitous start when Neil Graham, shrieking at the top of his voice (you know the way he does) stood on one of Gambit's posh chairs and nearly got us all evicted. A quick shove just managed to save things.

One player was unfortunate enough to have a bye and ironically had never played chess for a club before so he was very impressed!

This provided an opportunity for me to do the charitable thing though and ask him if he wanted a game: leaving Tina, who'd kindly agreed to help again, to forgo her knitting and do most of the work. However, she was heard to say that it was a doddle after the lightning.

Once again I escaped too much mental exertion, except over the chess board because Neil was on hand to do the draw which he executed with impressive efficiency.

Thanks to everybody who turned up, to Gambit for allowing us to use their "perfect" room and for sacrificing another chess night, to Dick Edwards for bringing the County equipment and to Derek Wilson for bringing his Chess Competitors Handbook (which made the draw possible).

It was suggested that next year we ought to have two rounds with each player having a half-hour for all their moves or even three or four rounds with either 10, 15 or 20 minutes for their moves - comments welcome please!

Runners up in the Major were West Bridgford with 3½ and in the Minor, Gambit 3 and Bulwell Boozers both with 3½.

Oh, by the way, the winners of the Major were Sherwood with 5 out of 6 (with a little help from Geoff Gibson - another convert!?) and the winners of the Minor were Sherwood with 4 out of 5 - sorry! Didn't I just say that?

WELL DONE SHERWOOD

On his return at Move 28 Speelman played Kf1?? which loses immediately to Rxd2! However as he moved on to the next board, Black grimaced at this losing blunder and the grandmaster immediately returned to reconsider his move. His position is poor anyway as Black threatens both Rxd2 and if 28 Ra3 or Ra6 by White (about the best he can muster) Nxc4 winning a pawn. Black however chickened out of this double rook ending agst the GM who no doubt would have managed to pull out a win from somewhere and offered a draw. Speelman accepted and went on to score Played 31 Won 30 Drew 1 so possibly the correct result by Black to offer a draw. Black returned home and wrote 100 times "I must not pull faces at Grandmasters" thinking of the win that almost was.

NOTTINGHAMSHIRE CHESS CONGRESS - 3rd - 5th APRIL, 1987.

The event took place once again at County Hall, West Bridgford. Three hundred and eighty-six entrants in total were nicely divided between the four sections to leave adequate playing room for each event. Particularly noteworthy was the performance of Stuart Brown from Hull who scored 5½ out of 6 to win the Premier beating on the way Grandmasters Jim Plaskett (game given without annotation elsewhere in this issue) and Glen Flear, International Master Tony Koster, plus Chris Baker and drawing with Colin Crouch in the final round - a tournament rating in excess of 260!! The full list of prizewinners was as follows:

My thanks to all the controllers and those who helped with the setting out on Friday afternoon. I think the weekend went quite smoothly and will try to give the prizewinners the correct cheques (those there at the prizegiving will understand) if I'm doing that again next year.

Special thanks are also due to my wife, Julie, who did the vast majority of the work in receiving entries and organising me before the Congress.
